AARHUS UNIVERSITY INTERDISCIPLINARY CENTRE
FOR CLIMATE CHANGE

Programme for iClimate Meeting, Pillar 1 - Climate Drivers

Aud. 1671-137, Dept. of Geoscience,

December 13th 2018.

Pillar 1 of iClimate invites to a workshop taking place on December 13 at the Department of Geoscience, Aarhus University. The purpose of the workshop is to increase our knowledge of research within the subject of “climate drivers” taking place at Aarhus University in order to facilitate increased interdisciplinary collaborations and start new research endeavours.

Workshop participants are encouraged to present selected parts of their research as oral (max 10 minutes incl. questions) and/or poster presentations. The afternoon programme allows for time to pitch new ideas, find new project collaborators and have open discussions.

LOCATION:

Department of Geoscience, Aarhus Universitet,
Høegh-Guldbergs Gade 2, 8000 Aarhus C,
Auditorium 1671-137.

REGISTRATION:

Please register for the workshop no later than November 29 by following the link:

<https://events.au.dk/Pillar1ClimateDrivers>

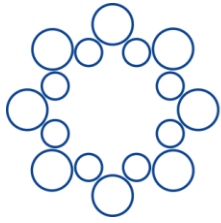

TRANSPORTATION:

Ferry departure from Odden 8.20 (arrival at Aarhus 9.35).

For those of you coming from Roskilde we will try to organise common transport in private cars. Please register for return-transport from Roskilde upon registration to the meeting or contact iClimate Centre Manager Gitte B. Hedegaard (gbh@envs.au.dk).

Participants from Foulum are asked to organise their own transport. However, if you need help contact Gitte B. Hedegaard (gbh@envs.au.dk).

Ferry Departure from Aarhus 17.30 (arrival at Odden 18.45)
